

UPDATING THE ODYSSEY APP

To get the latest Odyssey App updates on the OdysseyControl, make sure that you are:

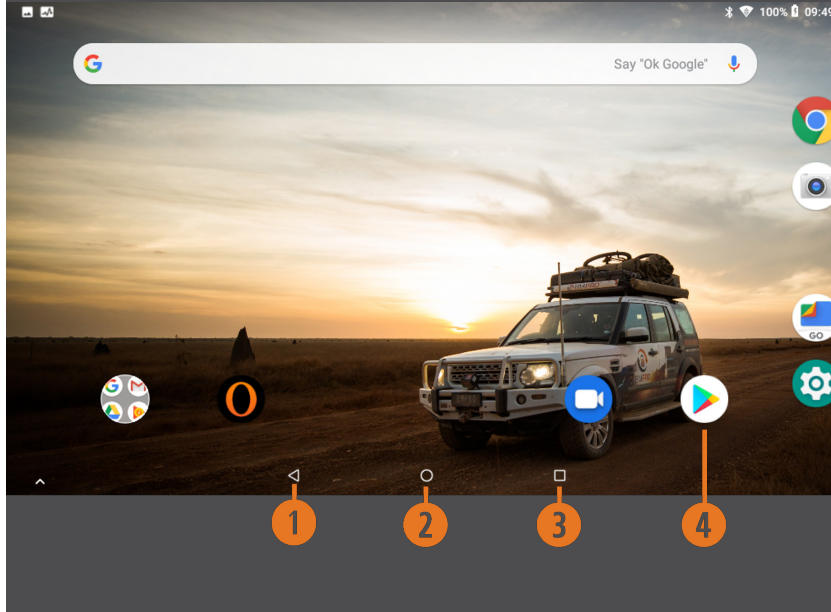

1. Connected to the Internet, and
2. Logged into your Google account

The Odyssey App will automatically update whenever a new release is available.

If you don't have a Google account, you can easily create one from the OdysseyControl.

Tap on the Play Store icon and follow the instructions to create your own Google account.

BASIC NAVIGATION

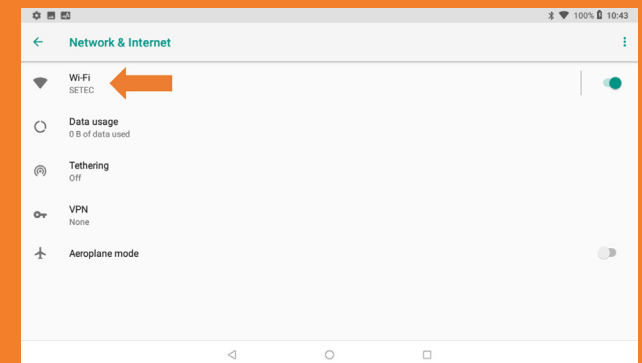

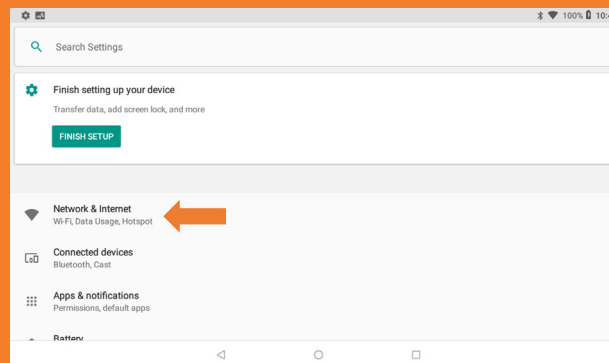

- 1 Return to previous screen
- 2 Return to main screen
- 3 Display a list of recently used/background applications
- 4 Google Play Store
- 5 To access local settings including Wi-Fi and Date & Time

CONNECTING TO WI-FI

Exit from the Odyssey App by tapping on the Return to main screen  icon.

From the main screen, tap on the Settings  icon, then select Network & Internet → Wi-Fi then choose your Wi-Fi network and connect.
